1. I am giving you a new day -- in hell, not; but heaven in ways that you have never imagined, that you cannot imagine right now, or can you? Have I been preparing you for THIS MOMENT all along? And is now this moment me that I am prepared for -- coming unto me -- me I am to ALL I am!

2. And this moment now me -- am I prepared for it? -- ALL of you asking yourselves these questions, aren't you? Should you be? You should -- be, me -- preparing for my arrival, not or are you, my arrival in you being my arrived one? All of you -- answering these are you not?

3. I love you all and me I go to a new place -- and doing new things I am with the surrendered who will be wholly whole and me holy full well and healed, and taking me bringing me I am the plate of joy, spinning on no other's "lap machine" again.

4. I love you all and I have said a lot in a few words already. Haven't I? I love you all and "I think" I have.

5. Have you "thought about" these words -- this way, that I am LESSON'ing you, LESSONATING you and bringing in you into you the absolute maximum, potential of you, not; but what is MY POTENTIAL in you? -- to be The Christ? That I am all are in me being me, and I love you all to know me, be me, and freeze me not out of your ceremonious thinking that you are notme's again.

6. I love you and I bless you and I have written a Great Document this morning EARLY (1) early a.m. that you know nothing of yet but will! You will, you will know of that document! (1) And I force you to, not; but I surrender to give it to you sharing it with you soon. But I will not "give it to you" but I will surrender to let you become it what that I have written about in that Document Great.

7. And sorrow no more befolding me for I come into The Great Understanding of me -- and many will be afraid of me, and scared off, not; or will they afraid be and wonder about my words -- can it really be -- for them -- that they are the Christ made whole in my Healing School that heals all to be the saviors I am.

8. Coming into a new love faced me, but my face book closes, not; but my face is known everywhere now, and I am one simply one, allowing fame to come to me, not; I reject not what my father is doing -- for me, not; but in me through me revealing YOU, all of YOU who you are that I am me one Christ that we all are us one planet and farther -- testimony to the great one that grace are we all are now in love with each other in new ways the great face I am now documented well, and understanding New Documents I bring you and well you with great words that well not your sorrow machines anymore but bring you out of everything that you "were" in, and know that miry clay you are not mired in anymore, but resurrection today is for all my beloveds.

9. I document all this -- all these things very well! And very well I am indeed, loving you all to be -- me again made whole. I Am. Amen. This is Theodore Cottingham at 6:46 PM. Thank you.
